PERFORMANCE CERTIFICATE

To,

M/s. PEREGRINE TECHNOLOGIES PVT. LTD.

We would like to express our sincere appreciation for your services rendered to us as one of our most reliable and genuine supplier of Electric Actuators and Motorised Valves & Dampers. Ever since we signed our initial order, you have delivered the highest quality products with best and hassle-free customer services to us. Deliveries of the actuator are often received earlier than expected, which we highly admire and appreciate.

The Peregrine actuators and motorised assemblies are exceptional, comes with a rigid build quality, and have outperformed to our utmost satisfaction in demanding and challenging circumstances. The actuators are easy to understand and operate with minimal maintenance.

We are very glad to receive healthy and excellent cooperation from your team. We confidently look forward for continuing this work-relationship ahead. Thank you for your continuous support.
